Eat delicious meals in our dining hall, and take part in songs, skits, and general silliness. Activities continue after dinner, extending the fun through the evening until bedtime in your tent.

Do That At Camp': August 11-12, 2012

If you want to be able to break all the rules at camp, then come to the 'You Can't Do That At Camp' Camp where you get to run in camp, play in the mud, and break all the rules!

FAMILY CAMP

This is where Scouting really comes alive! Watch your Scout's eyes light up as he hits the archery target or watch him smile as he catches his first fish. These are family experiences that bring a family together and create memories of a lifetime. These will be his favorite childhood moments, and he'll be proud to share them with his parents.

Family Camping provides an opportunity for the whole family to experience the outdoors. Cub Scouts and their family members can participate in all of the same activities available at Resident Camp, and a few more. Camp in a tent of your own, borrow one of ours or sleep in a cabin. Join us for the spring weekend, fall weekend, or both!
